LIQUID BIOCELL® SKIN, HAIR & NAILS

Health & Wellness | Collagen Sciences

How does Liquid BioCell® Skin, Hair & Nails compare to other Liquid BioCell products?

- Liquid BioCell Skin, Hair & Nails features the same award-winning Collagen/HA Matrix® Technology shown to support joint comfort and reduce wrinkles from the inside out and adds additional ingredients to specifically target younger-looking skin, strong hair and beautiful nails.*

Specific to this formula, enjoy 18 phytonutrient-rich superfoods, biotin, pea sprout powder, bamboo and ceramides not found in other Liquid BioCell formulas.

How does Liquid BioCell® Skin, Hair & Nails compare to the now discontinued Liquid BioCell® Skin formula?

- Liquid BioCell Skin Hair & Nails delivers everything you loved about Liquid BioCell Skin — and then some! It's formulated with the same number of phytonutrient-rich superfoods, bamboo and ceramides as Liquid BioCell Skin, and offers the same skin benefits, including:
 - Reducing wrinkles from the inside out*
 - Supporting skin's collagen content*
 - Helping reduce dryness*
 - Improving skin's microcirculation, hydration, skin tone and firmness*
 - Potentially reducing hyaluronidase, an enzyme that can contribute to skin aging*

But Liquid BioCell Skin Hair & Nails goes an important step further, delivering pea sprout powder and biotin shown to support visibly thick, strong, healthy-looking hair and strong, healthy nails — because beauty is so much more than skin deep! And it's all backed by our multi-patented Collagen/HA Matrix® Technology scientifically shown to support joint health and help improve muscle tone.*

What benefits do bamboo, biotin and pea sprout powder add to Liquid BioCell® Skin, Hair & Nails?

- Bamboo, a plant-derived source of silica, is especially beneficial for skin and supports healthy hair and nails.*
- Biotin is essential for building keratin protein for strong hair. It also helps to support healthy nails and skin.*
- Pea sprout supports visibly thick, full and strong hair.*

How soon can I see results?

- Based on scientific studies, Liquid BioCell delivers noticeable results just 28 days, including a 6000% increase in skin's hyaluronic acid levels.*

For even faster visible results, we recommend pairing Liquid BioCell® Skin, Hair & Nails with our Modere CellProof line, featuring topical skincare products shown to visibly smooth and tighten skin in just 5 minutes (Modere CellProof Serum) and Modere CellProof MicroBond™ haircare products that help build new hair bonds up to 3x stronger, plus improve smoothness and manageability by 89%, reduce split ends by 86% and reduce breakage by 63% after just 1 use.††

†Compared to untreated hair.

††Based on lab tests on human hair samples. Smoothness results comparing CellProof MicroBond Hair System to non-conditioning shampoo, 8 hair samples. Split end results comparing untreated hair before and after, 50 hair samples. Breakage results compared to non-conditioning shampoo, 10 hair samples. Results after one use.

What flavor is Liquid BioCell® Skin, Hair & Nails?

- It features a delicious berry flavor, attributed to phytonutrient-rich superfoods like cranberry, strawberry, acai and goji berry along with hints of pomegranate, apple and pear.

Is Liquid BioCell® Skin, Hair & Nails gluten-free?

- Yes, it is.

Is Liquid BioCell® Skin, Hair & Nails dairy-free?

- Yes, it is.

Is Liquid BioCell® Skin, Hair & Nails sugar-free?

- No, it contains naturally occurring sugars from the fruits in the product. If you're looking for a Liquid BioCell formula with zero sugar, we recommend Liquid BioCell® Pure.

Is Liquid BioCell® Skin, Hair & Nails vegetarian/vegan?

- No. The single-source Collagen/HA Matrix in Liquid BioCell is derived from chicken sternal cartilage, which mirrors human articular cartilage composition and is studied to provide optimal benefits for joints and connective tissue.*

How many servings are in a bottle?

- There are 30-servings in a bottle, a 15-day supply. For a full month's supply, we recommend purchasing Liquid BioCell® Skin, Hair & Nails (2CT).
